Mr. Robert Czerny
Chair,
Ethics Practitioners Association of Canada

Letter of Interest

The recent notice that candidacies for directors were being sought for the upcoming AGM on June 18 leads me to put forward my candidacy for the Board.

I have been a member of EPAC for several years and have attended many of the workshops and presentations. I also made a presentation to the Board on the project I led in Tanzania to promote ethical behaviour by public servants through the use of social marketing.

I have not previously sought a role on the Board owing to the workload involved in the other boards in which I was involved, mainly as Chair of the Commissioner for Complaints for Telecommunications Services. This fall my term of seven years on the above noted Board will come to an end and I will have some time to dedicate to EPAC.

As my resume indicates, I have gained much experience during my public service career that is directly related to the practice of ethics and since retiring I have pursued activities aimed at advancing ethics and ethical behaviour both in Canada and abroad.

Thank you for your consideration of my candidacy.

Mary Gusella
