**Robert Czerny, Chair
Ethics Practitioners' Association of Canada
(EPAC-APEC) 1485 Laperriere Avenue
Ottawa, ON K1Z 7S8**

Dear Mr. Czerny,

I have recently learned about your organization Ethics Practitioners' Association of Canada/ Association des praticiens en ethique du Canada and immediately wanted to find out more information. I share in EPAC-APEC's core values of caring, fairness, respect, responsibility and trustworthiness and would like to inquire about openings on the board of directors. A position of treasurer might be best suited given my qualifications and if such a position opened up I would show a strong interest.

As an investment advisor assistant at Dundee Goodman Private Wealth I think critically about ethical situations on a daily basis. During my employment at TD Waterhouse I learned a great deal about ethics in the investment industry and developed a high level of ethical intelligence and curiosity.

My enclosed CV contains the details about my experience, education, skills and community involvement. I would really appreciate the opportunity to discuss and learn more about EPAC-APEC. Please contact me at 613-864-3707 or email me at marjanski@hotmail.com for more information or with any additional questions you may have.

I look forward to hearing from you and thank you for your consideration.

Sincerely,
