

Greetings EPAC Colleagues,

Please be advised that I would like to put my name forward for re-election to the Board of Directors of the Ethics Practitioners' Association of Canada (EPAC), at its June 2018 annual general meeting.

I was first elected as a director of EPAC in 2016. In addition to regular participation in Board meetings, interviewing members and providing suggestions for our Bulletins, I presented a webinar last November, and I served as moderator of one of the panels of the Tait conference in May.

I am aware of EPAC's objectives and am committed to advancing them. As a member in good standing of EPAC, I am eligible for re-election.

Thank you for your time and consideration.

Craig Ervine, LL.M., Ph.D.
